CALIFORNIA DEPARTMENT OF EDUCATION  
FORM NO. J-141-ROC/P  
INSTRUCTIONS (2002-03)

The information on this report is used to determine the amount of State allowance that a school district, county office of education, or joint powers agency (JPA) shall receive for transporting students to regular full-time occupational training classes. Legal provisions relating to regional occupational center/program (ROC/P) transportation are contained in *Education Code* sections 39807.5 and 41850(c).

ENTER the name of the school district or the county office of education on the line above  
SECTION I.

If your ROC/P is a JPA, ENTER the name of the JPA in the space provided for that purpose at the top of the form. A JPA must make arrangements with a school district or county office of education to file Form J-141-ROC/P on its behalf.

SECTION I - DETERMINATION OF ELIGIBILITY

ENTER the total operational costs on Line A and the total transportation costs on Line C for the ROC/P. ENTER 10 percent of the amount listed on Line A on Line B. If the total transportation cost exceeds ten percent of the total operational cost, the school district, county office of education, or JPA is eligible for a State allowance that is computed using the formula in SECTION II.

SECTION II - COMPUTATION OF ALLOWANCE

The following formula determines the amount of the State allowance to which the ROC/P is entitled if transportation costs exceed 10 percent of operational costs (Line C is greater than Line B in SECTION I):

$$\text{ROC/P Transportation Costs (Line A, SECTION II)} \times .50 \times .3333 =$$
